From the Rector's Desk

Mary Sumner Day

This week around the world Mary Sumner's legacy is celebrated, the founder of Mothers' Union. Her insight and perceptiveness in seeing what was needed desperately in the Christian community and how the Mothers within the church could make a difference for Christ in their communities, recognising how the need could be met.

Across the globe the 4 million members of Mothers' Union (now called MU and open to either female or male members) celebrate the life and faith of their founder.

We pray for the mission of MU as lived in so many countries. Mary Sumner's life showed clearly her belief in the vocation to prayer and the call to social action that flowed from it. These are the foundations on which MU has been built.

This week I challenge you to pray this prayer each day and to make it your own.

Prayer:

**Loving Lord, we thank you for your love so freely given to us all. We pray for families around the world. Bless the work of MU and your church as we seek to share your love through the encouragement, strengthening and support of marriage and family life. Empowered by your Spirit, may we be united in prayer and worship, and in love and service reach out as your hands across the world. In Jesus' name.
Amen.**

God Bless

Fr Mal
